

Paul A. Baker

- Title:** Professor of Geochemistry
Duke University
1981 - Present
- Address:** Duke University
Division of Earth and Ocean Sciences
Durham, North Carolina 27708-0227
phone: (919) 684-6450, FAX: (919) 684-5833
pbaker@duke.edu
- Education:** B.A. Geology, University of Rochester, 1973
M.S. Geology, Pennsylvania State University, 1975
Ph.D. Earth Sciences, Scripps Institution of Oceanography, 1981

Professional Employment

- 1981-1987 Assistant Professor, Department of Geology, Duke University
- 1987-1994 Associate Professor, Department of Geology, Duke University
- 1994-present Professor, Division of Earth and Ocean Sciences, Duke University
Director, Global Environmental Change Program

Books

- Shukla, V. and Baker, P.A. (editors), 1988. *Geochemistry and Sedimentology of Dolomite*. Special Publication Number 43 of the Society of Economic Paleontologists and Mineralogists.
- Dunbar, R.B. and Baker, P.A. (editors), 1988. *Cenozoic Geology of the Pisco Basin*. A guidebook to accompany an IGCP 156 Field Workshop.
- Baker, P. and McNutt, M. (editors), 1998. *Future of Marine Geology and Geophysics. Proceedings of a Workshop*. Published by US National Science Foundation. 264 pp.

Refereed Publications
