

Curriculum Vitae

Robert J. Thompson, Jr.

Birth Date: July 16, 1945
Married: 3 children

3818 Northampton Road
Durham, N.C. 27707
919-489-7739

Duke University
236 Soc/Psych Building, Box 90086
114 Allen Building, Box 90042
Durham, N. C. 27708
919-681-9655 (fax: 919-660-5726)
email: robert.thompson@duke.edu

Education:

B.A. LaSalle College, 1967 (Psychology)
M.A. University of North Dakota, 1968 (Clinical Psychology)
Ph.D. University of North Dakota, 1971 (Clinical Psychology)
Indiana University Medical Center, 9/70-8/71 (Internship)

Professional Positions:

Duke University:

Administrative:

Dean of Trinity College of Arts & Sciences, 9/99-7/08
Vice Provost for Undergraduate Education, 7/04-7/07
Dean of Undergraduate Affairs, Trinity College, 8/97-8/99
Co-Director, Faculty Associates Program, 7/95-6/97
Director, Undergraduate Program in Human Development,
7/93-6/97; Associate Director, 7/92-6/93
Director of Clinical Training, Department of Psychology:
Social and Health Sciences, 7/94-6/97
Head, Division of Medical Psychology, Department of
Psychiatry and Behavioral Sciences, 7/77-7/97;
Acting Head, 6/76-1/77
Chairman, Executive Committee, University Program in Human
Development, 2/83-6/85
Director, Developmental Evaluation Center, Department of
Pediatrics, 7/75-6/84

Academic:

Department of Psychiatry and Behavioral Sciences, Duke
University Medical Center
Professor of Medical Psychology, 8/86-present
Associate Professor of Medical Psychology, 7/77-7/86
Assistant Professor of Medical Psychology, 9/75-6/77
Department of Psychology and Neuroscience
Professor of Psychology, 9/89-present
Adjunct Professor, 9/86-8/89
Lecturer, 9/78-8/86
Department of Pediatrics, Duke University Medical Center
Assistant Professor of Medical Psychology, 7/77-present
Associate, 9/75-6/77

Kenan Institute for Ethics Faculty Council, 11/04-12/09
Athletic Council: Executive Committee;
Academic Committee, 9/97-7/08
Senior Fellow of the Center for the Study of Aging and
Human Development, 4/96-present
Member, University Council on Aging and Human
Development, 9/82-7/08
Academic Council, Duke University, 9/79-8/81

Georgetown University:

Director of Psychology, University Affiliated Program for
Child Development, Department of Pediatrics, 1/73-7/75
Assistant Professor, Department of Pediatrics, 7/72-6/75

Catholic University of America:

Adjunct Assistant Professor, Department of Psychology, 9/72-7/75

Manitowoc County Mental Health Center (Wisconsin):

Staff Psychologist, 9/71-6/72

Awards:

Sammie Award; Samuel DuBois Cook Society, February, 2008
Fellow, American Psychological Association:
Society of Pediatric Psychology, January, 2001
Division of Health Psychology, January, 1991
Division of Clinical Psychology, January, 1987
Phi Beta Kappa, 1999
Distinguished Contributions to Teaching and Training in Psychology,
N.C. Psychological Association, August, 1998
Distinguished Service Award, Society of Pediatric Psychology, August 1997
Distinguished Researcher Award, Association of Medical School Professors
of Psychology, August, 1993
Distinguished Teacher Award, Division of Medical Psychology, 1985-1986
Fellow, International Academy for Research in Learning Disabilities, April, 1980
National Science Foundation Summer Traineeship, 1968

Specialty Certification and License:

Diplomate in Clinical Psychology, American Board of Professional Psychology,
September, 1976
North Carolina Practicing Psychologist (Number 425)

Associate Editor:

Journal of Pediatric Psychology, 1998-2002

Editorial Board:

Journal of Developmental and Behavioral Pediatrics
Journal of Clinical Psychology in Medical Settings
Journal of Pediatric Psychology

Consultant:

Senior Consultant on Assessment, Reinvention Center, 2010-

Offices:

Member, Board of Directors, Center for Documentary Studies,
Duke University, 7/1/04-present
Member, Board of Directors, American Conference of Academic Deans (ACAD),
1/02-12/05
Member, Academic Council, Venice International University,
5/00-12/07
President, Durham Academy Board of Trustees, 7/92-6/94;
Vice-President, 1/91-7/92
President, Association of Medical School Professors of
Psychology, 1986-1988; Treasurer and Secretary, 1982-1986
Member, Southeastern Regional Board, American Board of
Professional Psychology, 9/86-8/88
Treasurer and Member of the Board of Directors,
International Academy for Research in Learning
Disabilities, 7/81-9/85
Member, Board of Directors, North Carolina Psychological
Association and Chairman of the Organizational Liaison
Committee, 7/81-6/82

Other:

American Psychological Association Internship Accreditation
Site Visitor: 1979-1986; 1989
Cystic Fibrosis Foundation: Nutrition Review Panel, 9/89
National Institutes of Health:
National Heart, Lung, and Blood Institute Task Force on
Research and Education for the Prevention and Control of
Respiratory Disease Work Group, member: 4/89-12/89
National Heart, Lung, and Blood Institute; National
Institute of Diabetes and Digestive and Kidney Diseases;
and Cystic Fibrosis Foundation Workshop on Clinical-
Behavioral Aspects of Cystic Fibrosis: Directions for
Future Research. Group Leader: Issues in Identifying and Measuring
Psychosocial and Behavioral Outcomes Among Cystic Fibrosis Patients: 9/86
National Heart, Lung, and Blood Institute; Sickle Cell
Disease Advisory Committee, Invited presentation on
psychosocial issues in sickle cell disease: 6/03
National Heart, Lung, and Blood Institute Special Emphasis Review
Panel: Comprehensive Sickle Cell Centers: 9/07

Organizations:

American Conference of Academic Deans
American Psychological Association
Association of Medical School Psychologists
Society of Pediatric Psychology
Sigma Xi

Selected Presentations:

1. Thompson, R.J., Jr. (1982, August), (Chair). Empirical approaches to identification and classification of children's behavior problems. Symposium conducted at the meeting of the American Psychological Association, Washington, DC.
2. Thompson, R.J., Jr. (1985, August). Psychologists in medical schools: Medical staff status and clinical privileges. In D. Clayson (Chair), Psychologists in medical schools: The trials of emerging political activism. Symposium conducted at the meeting of the American Psychological Association, Los Angeles, California.
3. Thompson, R.J., Jr. (1988, February). Behavior problems in children with learning problems. Paper presented at International academy of Research in Learning Disabilities, Research meeting, University of California, Los Angeles.
4. Thompson, R.J., Jr. (1988, March). Discussant of the paper: Purchase and Possession: A national database for scientifically, mathematically and technologically talented presented by Robert Sawyer at the Talent Identification Program/National Science Foundation Conference on Academic Talent.

5. Thompson, R.J., Jr. (1988, April). Developmental follow-up of very low birth weight infants: Paper presented at Perinatal Update 1988: Controversies of Prematurity, Memorial Medical Center, Savannah, Georgia.
6. Thompson, R.J., Jr. (1988, August). Psychologists in hospitals: challenges and opportunities. Invited address for the Division of Clinical Psychology at the meeting of the American Psychological Association, Atlanta, Georgia.
7. Thompson, R.J., Jr. (1989, April). Psychosocial adjustment to sickle cell disease. Paper presented at the Fourteenth Annual Meeting of the Sickle Cell Centers, Research Triangle Park, North Carolina.
8. Thompson, R.J., Jr. (1989, April). Behavior patterns of children with learning, developmental, and medical disorders. Paper presented at North Carolina Psychological Association/North Carolina School Psychology Association Joint Conference, Raleigh, North Carolina.
9. Thompson, R.J., Jr. (1989, May). Psychology as a science and profession: challenges and opportunities. Keynote address: South Carolina Psychological Association Spring Conference, Hilton Head Island, South Carolina.
10. Thompson, R.J., Jr. (1989, October), (Chair). Successful strategies for living with cystic fibrosis. Symposium conducted at the Third Annual North American Cystic Fibrosis Conference, Tarpon Springs, Florida.
11. Thompson, R.J., Jr., & Gil, K.M. (1990, May). The role of cognitive processes, coping methods, and family functioning in psychosocial adjustment in sickle cell disease. Paper presented at the Fifteenth Annual Meeting of the National Sickle Cell Centers, Berkeley, California.
12. Thompson, R.J., Jr. (1990, August). Perspectives from a Medical Psychology Division in a Psychiatry Department. A. Pollard (Chair), Survival and autonomy of medical school psychologists in the 1990's. Symposium conducted at the meeting of the American Psychological Association, Boston, Massachusetts.
13. Thompson, R.J., Jr., Gil, K.M., Abrams, M.R., & Phillips, G. (1991, March). Psychological adjustment with SCD: The role of cognitive processes, coping methods and family functioning. Paper presented at the Sixteenth Annual Meeting of the National Sickle Cell Centers, Mobile, Alabama.
14. Thompson, R.J., Jr. & Oehler, J.M. (1991, April). Very low birth weight infants: Maternal stress, coping, and psychosocial adjustment. J. Oehler (Chair), The changing face of neonatology - Impact on parents. Symposium conducted at the meeting of the Society for Research in Child Development, Seattle, Washington.
15. Thompson, R.J., Jr. (1991, August), (Chair). Biopsychosocial models of adaptation to chronic childhood illness. Symposium conducted at the meeting of the American Psychological Association, San Francisco, California.
16. Thompson, R.J., Jr., Catlett, A.T., & Johndrow, D.A. (1992, May). Maternal psychological adjustment to the birth of an infant weighing ≤ 1500 grams. Lynn Singer (Chair), Longitudinal studies of caregiver's and their very low birth weight infant. Symposium conducted at Eighth International Conference on Infant Studies, Miami Beach, Florida.

17. Thompson, R.J., Jr. & Gustafson, K.E. (1992, August). Psychosocial adjustment of children with sickle cell disease and their mothers. R.J. Thompson (Chair), Longitudinal studies of adjustment to chronic childhood illness. Symposium conducted at the meeting of the American Psychological Association, Washington, DC.
18. Thompson, R.J., Jr. (1992, November). The behavioral science contributions of Pediatric Psychology to health care. C. Zimet (Chair), Psychology: contribution to training physicians in the new world of health care. Symposium conducted at the meeting of the American Association of Medical Colleges, New Orleans, Louisiana.
19. Thompson, R.J., Jr., Gustafson, K.E., Gil, K.M., Keith, B.R., & Kinney, T.R. (1993, May). Psychological adjustment of children and adolescents with sickle cell disease. Paper presented at the Eighteenth Annual Meeting of the National Sickle Cell Centers, Philadelphia, Pennsylvania.
20. Gustafson, K.E., Thompson, R.J., Jr., & Kinney, T.R. (1993, May). Psychological adjustment of mothers of children and adolescents with sickle cell disease: contributory processes. Paper presented at the Eighteenth Annual Meeting of the National Sickle Cell Centers, Philadelphia, Pennsylvania.
21. Thompson, R.J., Jr. (1993, August). Psychological adjustment of mothers of children with sickle cell disease. R. J. Thompson (Chair), The impact of chronic childhood disorders on maternal psychological adjustment. Symposium conducted at the meeting of the American Psychological Association, Toronto, Canada.
22. Thompson, R.J., Jr. (1993, August). Pediatric Psychology contributions to medical education. C. Zimet (Chair), New world of health care - teaching psychology to physicians. Symposium conducted at the meeting of the American Psychological Association, Toronto, Canada.
23. Thompson, R.J., Jr. (1995, March). Variability in psychological adjustment of children with sickle cell disease and their mothers over time: processes associated with resiliency. Paper presented at the 20th annual meeting of the National Sickle Cell Centers, Boston, Massachusetts.
24. Thompson, R.J., Jr., Gustafson, K.E., Bonner, M., & Schumacher, E. (1996, March). Cognitive functioning at six months of age of infants with sickle cell disease. Paper presented at the Twenty-first Annual Meeting of the National Sickle Cell Centers, Mobile, Alabama.
25. Thompson, R.J., Jr. (1996, May). Diversity: its academic rationale. M. Adams (Chair). Institute for Deans, Department Chairs, and Academic Program Directors. Workshop conducted at the Ninth Annual National Conference on Race and Ethnicity in American Higher Education, San Antonio, Texas.
26. Thompson, R.J., Jr. (2000, January). Greater expectations: from cornerstone to capstone: writing, inquiry, and accomplishment in the disciplines. J. Monroe (Chair). Symposium conducted at Eighty-sixth Annual Meeting of the Association of American Colleges and Universities, Washington, DC

27. Thompson, R.J., Jr., & Willard, L. (2000, January). Communicating greater expectations through coherent curricula. A. Leskes (Chair). Symposium conducted at Eighty-sixth Annual Meeting of the Association of American Colleges and Universities, Washington, DC
28. Thompson, R.J., Jr. (2000, February). New developments in general education: Duke University's new curriculum. Presentation at the Association of American Colleges and Universities Conference: General Education in the New Millennium: Opportunities, Principles, Politics, San Antonio, Texas.
29. Thompson, R.J., Jr. (2000, April). Enhancing undergraduate education at Duke University. Presentation at the Inaugural Symposium of The Reinvention Center: The Boyer Commission Report: A second anniversary retrospective, Stony Brook, New York.
30. Thompson, R.J., Jr. (2001, February). New developments in general education: enhancing undergraduate education at Duke University. Presentation at the Association of American Colleges and Universities Conference: Best Practices in General Education and Its Assessment, Atlanta, Georgia.
31. Thompson, R.J., Jr. (2001, February). Succeeding with the politics of change: assisting faculty to coalesce around a new approach. Presentation at the Association of American Colleges and Universities Conference: Best Practices in General Education and Its Assessment, Atlanta, Georgia.
31. Thompson, R.J., Jr. & Willard, L. (2002, November). Requiring research competencies in the undergraduate curriculum. Presentation at the Reinvention Center Conference on Undergraduate Research and Scholarship and the Mission of the Research University, College Park, Maryland.
32. Thompson, R.J., Jr. (2003, February). Sickle cell disease: neurocognitive functioning and psychological adjustment. Presentation at the Department of Psychiatry Grand Rounds, Indiana University School of Medicine, Indianapolis, Indiana.
33. Thompson, R.J., Jr. (2003, February). Connecting general education and the major. Workshop presented at the Association of American Colleges and Universities conference on General Education: Goals, Strategies, and Assessment for Powerful Learning, Philadelphia, Pennsylvania.
34. Thompson, R.J., Jr. & Riley, M. (2003, May). External review of study abroad programs. Presentation at NAFSA: Association of International Educators Annual Conference, Salt Lake City, Utah.
35. Thompson, R.J., Jr., (2003, September). A liberal education. Vanderbilt University, Nashville, Tennessee.
36. Thompson, R.J., Jr., (2004, February). Charting curricular change: Alternative approaches. Symposium. Saint Joseph's University, Philadelphia, Pennsylvania.
37. Thompson, R.J., Jr., (2004, April). The undergraduate curriculum: Structure and choice. Presentation at Refocusing General Education: A Symposium on Curriculum Reform, University of Pennsylvania, Philadelphia, Pennsylvania.

38. Thompson, R.J., Jr., (2004, November). Research service learning. Presentation at the Reinvention Center Conference on Integrating Research into Undergraduate Education: The Value Added, Washington, DC.
39. Thompson, R.J., Jr., (2005, January). Balancing expectations for faculty teaching, scholarship, and service. Presentation at the American Conference of Academic Deans/Association of American Colleges and Universities Annual Meeting, San Francisco, California.
40. Thompson, R.J., Jr., & Kean, R.C. (2006, January). Knowledge in service of society: Connecting liberal education, research, and civic engagement. Presentation at the American Conference of Academic Deans/Association of American Colleges and Universities Annual Meeting, Washington, DC.
41. Kean, R. C., & Thompson, R. J., (2007, November). Student learning outcomes: From assessment to accountability. Presentation at the Reinvention Center, Vice President Network Meeting, University of Miami, Miami, Florida.
42. Blount, A. (Chair), Thompson R. J., Jr., Peterfreund, P., & Gastwirth, D., (2008, January). Strategic measures: Utilizing assessment as an integral part of program pedagogy, institutional outcomes, and marketing. Panel Presentation at the Association of American Colleges and Universities Annual Meeting, Washington, DC.
43. Thompson, R. J., Jr., & Sotherland, P. (Co-Chairs), (2008, October). Being systematic in improving writing and critical thinking: What do we know; what do we need to know; what still needs to be done?" Panel at the Teagle Foundation Conference on Achieving Systematic Improvement in Liberal Education, Duke University, Durham, North Carolina.
44. Thompson, R. J., Jr., & Serra, M. (2008, October). Systematic use of student course evaluations to improve teaching. Teagle Foundation Conference on Achieving Systematic Improvement in Liberal Education, Duke University, Durham, North Carolina.
45. Thompson, R.J., Jr., (2008, November). General education at the research university in the 21st century: Innovative alternatives to the four-year liberal arts college model. Panel presentation at the Reinvention Center Conference on Education, Innovation, and Discovery: The Distinctive Promise of the American Research University, Washington, DC.
46. Thompson, R. J., Jr., (2010, January), (Chair). Systematic Improvement of Teaching & Learning Through Experimentation and Assessment. Panel Presentation at the Association of American Colleges and Universities Annual Meeting, Washington, DC.
47. Thompson, R. J., Jr. (September, 2010). Reframing Assessment: Teaching as an Interactive Process of Inquiry. Invited address for Indiana University's Scholarship of Teaching and Learning Colloquia, Bloomington, IN.
48. Thompson, R.J., Jr., (2010, November). Writing-to-Learn: A Tool for Strengthening and Assessing Undergraduate Learning and Engagement; and Using Writing to Improve and Measure Learning in STEM Courses. Panel

presentations at the Reinvention Center Conference on Tradition, Innovation, and Creativity: Undergraduate Learning for the 21st Century. Crystal City, Virginia.

External Support

Clinical Service Programs:

Contract between the N.C. Department of Human Resources, Division of Health Services, Developmental Disabilities Branch and the Department of Pediatrics, Duke University Medical Center

Program Director: Robert J. Thompson, Jr.

Prekindergarten Screening Program:	1975-76	\$169,560
	1976-77	\$216,115
Developmental Evaluation Center:	1975-76	\$247,239
	1976-77	\$214,185
	1977-78	\$266,878
	1978-79	\$269,870
	1979-80	\$285,721
	1980-81	\$302,951
	1981-82	\$302,951
	1982-83	\$296,087

Research:

Contract between the N.C. Department of Human Resources, Division of Health Services, Developmental Disabilities Branch and the Department of Pediatrics, Duke University Medical Center

Title: Development and Training Project for the Early Identification, Treatment, and Longitudinal Follow-up of Infants at Risk for Developmental Disabilities.

Project Director: Robert J. Thompson, Jr.

1977-78 \$149,818

1978-79 \$100,000

McArthur Foundation: Interdisciplinary Award Program in Mental Health

Title: Stress of Chronic Childhood Illness

Director of Component Project: Robert J. Thompson, Jr.

1981.82 \$3,000

National Heart, Lung, and Blood Institute

Title: Enhancing Coping with Cystic Fibrosis

Identifying Number: 1 R18 HL37548-01

Principal Investigator: Robert J. Thompson, Jr.

Total Direct Cost: \$538,930

Period of Award: 1/87-12/90

National Institute of Child Health and Human Development

Title: Developmental Follow-up of Very Low Birth Weight Infants

Identifying Number: 1 P01 HD 21354-01

Principal Investigator of component project: Robert J. Thompson, Jr.

Total Direct Cost: \$2,578,254

Period of Award: 4/87-3/92

National Heart, Lung, and Blood Institute

Title: Sickle Cell Disease: Coping and Psychosocial Adjustment

Identifying Number: P60 HL 28391-06

Principal Investigator: Robert J. Thompson, Jr.

Total Direct Cost: \$428,460

Period of Award: 4/1/88-3/31/93

National Heart, Lung, and Blood Institute

Title: Coping with Sickle Cell Disease: Developmental Follow-up

Identifying Number: P60 HL28391-12

Principal Investigator of component project: Robert J. Thompson, Jr.

Total Direct Cost: \$432,733

Period of Award: 4/1/93-3/31/98

Education:

National Science Foundation

Title: PGE/SEP: Project ADVANCE: Developing a resilient cohort of women in quantitative sciences.

Identifying Number: HRD-9979478

Principal Investigator: Robert J. Thompson, Jr.

Total Direct Cost: \$64,886

Period of Award: 1/1/00-12/31/00

Howard Hughes Medical Institute

Title: Undergraduate Biological Science Education Program

Identifying Number: 71199-519906

Principal Investigator: Robert J. Thompson, Jr.

Total Direct Cost: \$1,400,000

Period of Award: 9/1/98-8/31/00

Andrew W. Mellon Foundation

Title: Differential Educational Outcome: Planning Phase

Identifying Number: 49900706

Principal Investigator: Robert J. Thompson, Jr.

Total Direct Cost: \$150,000

Period of Award: 1/1/00-12/31/00

Andrew W. Mellon Foundation

Title: Mellon Minority Undergraduate Fellowship Program at Duke University

Identifying Number: 2000-0726

Principal Investigator: Robert J. Thompson, Jr.

Total Direct Cost: \$350,000

Period of Award: 6/1/00-5/31/04

Andrew W. Mellon Foundation

Title: The Campus Life and Learning Project

Identifying Number: 20160676

Co-Principal Investigator: Robert J. Thompson, Jr.

Total Direct Cost: \$375,000

Period of Award: 7/1/01-6/30/04

BellSouth Foundation

Title: Creating Links Supporting Minority Performance
Identifying Number: 20011478
Principal Investigator: Robert J. Thompson, Jr.
Total Direct Cost: \$75,000
Period of Award: 8/1/01-7/31/04

William and Flora Hewlett Foundation: Pluralism and Unity Program

Title: Developing Inclusive Communities
Identifying Number: 20016745
Principal Investigator: Robert J. Thompson, Jr.
Total Direct Cost: \$150,000
Period of Award: 7/1/01-6/30/04

Howard Hughes Medical Institute

Title: Undergraduate Biological Science Education Program:
“Making Meaning of Genomic Information.”
Identifying Number: 52003726
Principal Investigator: Robert J. Thompson, Jr.
Total Direct Cost: \$1,800,000
Period of Award: 9/1/02-8/31/06

Andrew W. Mellon Foundation

Title: Writing Fellows Program: Refining the Paradigm
Identifying Number: 40300643
Principal Investigator: Robert J. Thompson, Jr.
Total Direct Costs: \$1,800,000
Period of Award: 1/1/04-12/31/07

Howard Hughes Medical Institute

Title: Undergraduate Biological Science Education Program:
“Integrated Systems: Integrative Science.”
Identifying Number: 52005871
Principal Investigator: Robert J. Thompson, Jr.
Total Direct Cost: \$1,900,000
Period of Award: 9/1/06-8/31/10

Teagle/Spencer Foundations

Title: Systematic Improvement of Undergraduate Education in
Research Universities
Identifying Number: 200800149
Principal Investigator: Robert J. Thompson, Jr.
Total Direct Cost: \$1,494,000
Period of Award: 1/1/08-6/30/12

Teagle/Spencer Foundations

Title: Enhancing Writing and Critical Thinking
Identifying Number: 200900077
Principal Investigator: Robert J. Thompson, Jr.
Total Direct Cost: \$80,000
Period of Award: 7/1/08-6/30/11

National Science Foundation

Title: Understanding the Role of Writing in Strengthening and Assessing Learning and Engagement in Undergraduate STEM Education

Identifying Number: 000215159

Principal Investigator: Robert J. Thompson, Jr.

Total Project Cost: \$78,573

Period of Award: 9/1/10-8/31/11

Grants Submitted:

Spencer Foundation

Title: A Study of the Use of General Education Assessment Findings for Educational Improvement

Identifying Number:

Principal Investigator: Robert J. Thompson, Jr.

Total Project Cost: \$397,853

Period of Award: 7/1/11-6/30/14

Teaching Experience:

Duke University:

Arts and Sciences, Undergraduate:

Biological Psychology of Human Development, 1979-present

Senior Seminar in Human Development, 1987-1997

Pediatric Psychology, 1993-1996

Beyond Reason: Empathy & Identity, 2009-present

Independent Study

Arts and Sciences, Graduate:

Clinical Methods with Children, 1983

Dissertation Supervisor, 1986-1999

Supervisor of Clinical Psychology Graduate Students, 1986-1999

Medical School:

Developmental Disabilities, 1976-1984

Science of Human Behavior, Lecturer, 1976-1985

Supervisor of Clinical Psychology Interns, 1975-1997

Catholic University:
